PROFESSIONAL SUMMARY

Full Stack Developer with 6 months of internship experience working with React.js, JavaScript, Node.js, and Express.js. Experienced in developing responsive user interfaces, integrating REST APIs, implementing form validation, and working with MySQL databases. Hands-on experience building web applications involving CRUD operations, JWT authentication, role-based authorization, and task management workflows. Seeking a Junior Full Stack Developer opportunity to contribute to frontend and backend application development.

TECHNICAL SKILLS

Programming Language: JavaScript
Frontend: HTML5, CSS3, React.js
Backend: Node.js, Express.js, REST APIs
Database: MySQL
Tools: Git, GitHub, Postman

EXPERIENCE

Frontend Developer Intern – Mantravat Infotech
November 2025 – May 2026

- Worked on the Vanshavali application, developing reusable user interface components using React.js.
- Developed components for Login, Registration, and Profile management.
- Implemented Add, Edit, Update, and Delete functionality for application records.
- Integrated REST APIs to connect frontend components with backend services.
- Implemented form validation and handled API responses and errors.
- Used Git and GitHub for version control and collaboration with team members.

PROJECTS

Smart Book App

Tech Stack: React.js, Node.js, Express.js, MySQL
GitHub:https://github.com/munshiahmedi/smart-book-app

- Developed a book management application with create, read, update, and delete (CRUD) functionality.
- Built REST API endpoints using Node.js and Express.js to manage book records.
- Integrated MySQL for storing and managing application data.

Task & Engagement Management Tool | React.js, Node.js, Express.js, MySQL
Live Demo: https://taskflow-ai-frontend-mukm.onrender.com/
GitHub: https://github.com/munshiahmedi/taskflow-ai

- Developed a backend-focused application for managing clients, engagements, tasks, and user roles.
- Organized REST APIs using routes, controllers, middleware, and service-layer logic.
- Implemented JWT authentication and role-based authorization for Admin, Manager, and Team Member roles.

EDUCATION:

B.Tech – Electronics and Communication Engineering, JNTU Anantapur (2024)
Intermediate – Jyothirmayi Junior College, Adoni (2020)
